

Grade One Supply List Pictures

In Grade One we share supplies as a class. For this reason, we ask that supplies be unlabelled and that the brands requested are purchased. Some brands have proven to last longer throughout the year than others. Therefore teachers are less likely to request replenishment throughout the year and it saves time and money in the long run. We have provided pictures of some of the requested items to assist parents as they prepare their child for First Grade!

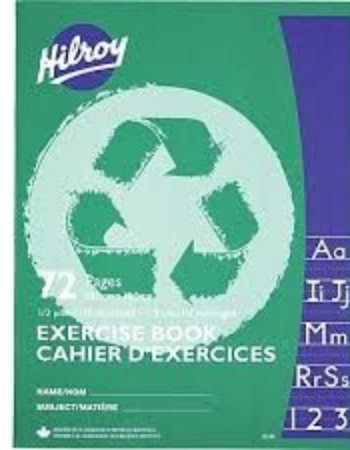

Expo fine tip black and blue dry erase markers

Please purchase this specific brand
